

§ 2812.0-7

rights-of-way across O. and C. lands, needed for the conduct of salvage operations, for a period not to exceed five years. A salvage operation as used in this paragraph means the removal of trees injured or killed by windstorms, insect infestation, disease, or fire, together with any adjacent green timber needed to make an economic logging show. As a condition of the granting of such rights-of-way, the operator will be required, when the authorized officer deems it necessary, to grant to the United States and its licensees for the conduct of salvage operations on O. and C. lands for a period not to exceed five years, rights-of-way across lands controlled directly or indirectly by him and to grant the right to use to the extent indicated in §§ 2812.3-5 and 2812.3-6 any portions of the road system controlled directly or indirectly by the private operator which is adequate or can economically be made adequate to accommodate the requirements of both the operator and of the United States and its licensees.

§ 2812.1-2 Contents.

(a) An individual applicant and each member of any unincorporated association which is an applicant must state in the application whether he is a native born or a naturalized citizen of the United States. Naturalized citizens will be required to furnish evidence of naturalization pursuant to the provisions of § 2802.1-4.

(b) An application by a private corporation must be accompanied by two copies of its articles of incorporation, one of which must be certified by the proper official of the company under its corporate seal, or by the secretary of the State where organized. A corporation organized in a State other than Oregon must submit a certificate issued by the State of Oregon attesting that the corporation is authorized to transact business within that State. The requirements of this paragraph shall be deemed satisfied if the corporation, having once filed the required documents, makes specific reference to the date and case number of such previous applications, states what changes, if any, have been made since the prior filings, and includes a statement that the right of the company to do business in the State of Oregon has not lapsed or terminated.

(c) Where the application is for a right-of-way on any portion of which the applicant proposes to construct a road, it must be accompanied by two copies of a map prepared on a scale of 4 inches or 8 inches to the mile. Showing the survey of the right-of-way so that it may be accurately located on the ground. The map should comply
